

I live in Crystal Lake and Nunda Township. I belong to a group called "His Working Volunteers." Our mission is to assist people whose housing has been impacted by disasters. We have worked in Joplin, Moore, Washington and Marseilles. I am aware of the assistance our Township provided in the Washington tornado cleanup.

Today our group went to Fairdale to volunteer our services. As we cleaned the debris from a house we were working on, I felt a sense of pride once more, as a Nunda Township truck came around the corner to be loaded. I had a chance to speak to the young gentleman driving the truck, but didn't catch his name.

Once again, an excellent call to reach out to those in need. Thank you for doing that.
