

PUBLIC NOTICE
Nunda Township Road District
INVITATION FOR BID

The Nunda Township Highway Commissioner, Mike Lesperance, McHenry County, State of Illinois does hereby invite sealed bids from responsible suppliers labeled "2025 Asphalt Purchase" for N50 hot mix surface and binder asphalt to be used in our 2025 Road Program. Due to location and availability of material, we intend to issue three contracts. One contract to each of the three lowest bidders. Whatever the surface bid comes in at the binder must be sold at \$1.00 a ton less than the surface bid. The lowest bidder's contract will be for a minimum of 6,000 tons, second place's contract for a minimum of 3,000 tons, and third place contract for a minimum of 2,000 tons. Any additional information can be obtained by email highway@nundaroaddistrict.com, website at www.nundaroaddistrict.com or, calling the Nunda Road District at 815-459-4410. Bids will be received until 7a.m. on the 8th day of April 2025, by mail or delivered by hand to the Nunda Township Highway Commissioner, 3518 Bay Road, Crystal Lake, Illinois 60012. All bids will be publicly opened and read aloud by the Township Clerk at 7a.m. on the 8th day of April 2025. No bids by e-mail or fax will be accepted.

Highway Commissioner, Mike Lesperance reserves the right to reject any or all bids and waive technicalities.

Description of Hot-Mix Asphalt Surface Course and Binder 2025

- A. Nunda Township Road District (N.T.R.D.) is seeking bids for Asphalt N50 (material only) which includes Surface and Binder Material.
- B. N.T.R.D. is performing all the labor and machine time associated with grinding, placing, leveling, and rolling the asphalt.
- C. N.T.R.D. will pick up the asphalt from the plant and deliver it to site.
- D. A haul differential of \$0.50 per mile from Nunda Township Road District office to plant will be added to determine lowest bidder.
- E. The road district will be selecting the three lowest bidders to ensure that there will be no interruption in the supply of asphalt. All bidders agree and understand that a contract will be awarded to the three lowest responsible bidders. Any bidder by submitting his bid waives any challenge to the Road District's selection of three lowest bidders to fulfill its requirements for asphalt. The low bid will be the lowest combined price of one ton of Surface and milage differential. **No breakdown for quantities of binder versus surface will be given. All Surface bids must sell the Binder for \$1.00 less per ton than the price of the Surface.** The road districts contract for asphalt will be awarded as follows: The lowest responsible bidder will be awarded a contract to provide a minimum 6,000 tons of asphalt, the second lowest responsible bidder shall be awarded a contract to provide a minimum 3,000 tons of asphalt, and the third lowest responsible bidder shall be awarded a contract to provide a minimum 2,000 tons of asphalt.
